PROJECTS:

JAVA(SWING):

Paddle Clash:

Desktop Multiplayer Game Paddle Clash is a fun, fast-paced multiplayer desktop application built with Java Swing. Players compete by using paddles to hit a ball back and forth, aiming to score points and outplay their opponent. The game offers a smooth and exciting experience for two players.

Website Development:

Personal Portfolio website

This is a personal portfolio website, built with HTML, CSS, and JavaScript. It showcases skills, projects, and experiences as a developer. The website features a clean and modern design with smooth navigation between sections such as "Home," "About Me," and "Contact." Through interactive elements, visitors can learn more about the background, skills, and reach out via the contact form. The site is fully responsive and provides an easy-to-use experience across devices.
